Aarav Mehta

FULL-STACK ENGINEER & CREATIVE TECHNOLOGIST

SAMPLE RESUME / FICTIONAL TEMPLATE

This file is included to demonstrate a functional resume download link.

The identity, work history, projects and achievements on this site are invented.

Before publishing for a real person, replace this PDF with a verified resume.

CUSTOMIZATION CHECKLIST

1. Replace this PDF at public/assets/sample-resume.pdf.
2. Update src/config/site.mjs with the correct resume path and site URL.
3. Update src/data/ files with real experience, projects and references.
4. Remove demo labels only after replacing fictional evidence.
5. Run npm run build and npm test, then deploy the dist/ directory.

Fictional portfolio template - not a statement of real qualifications.
